

We are some researchers who are working to find out what children think about different things. We would like you to help us understand what it is like for children in this corona time.

If you answer the questions, the Länsförsäkringar Research Fund will give SEK 50 to an organisation that helps children and young people. You choose which one when have you answered the questionnaire!

Your answers are completely anonymous and no one will find out what you have answered.

How old are you?

If you are 13 or 14 years old ...

It may be helpful to talk to an adult about your thoughts about corona. Feel free to discuss with your parents or another adult you trust about your thoughts. If you would rather fill in the questions with your parent [click here.](#)
